In this “Maguro town” you can enjoy fresh sashimi and sushi, *maguro* ramen, *maguro* steak, and some of the rare parts of *maguro*. Also, you shouldn’t miss the chance to observe an auction at Misaki Port for professionals looking to win the best *maguro*.

This beautiful location also provides many fun-filled activities, including beginner-friendly fishing sites, excellent diving spots in intriguing geographical formations filled with diverse marine life, and relaxing hot springs.
