KANJI WORKSHOPS - FUNDAMENTALS OF KANJI -

Please Note: These workshops will be conducted online via Zoom. To participate fully, you will need access to a device with internet, microphone, and camera (such as a laptop, smartphone, or tablet). Please note that all times listed are New York time (ET).

Why is stroke order important? Why are there multiple readings of the same kanji? Is there an efficient and less painful way to learn new ones? What can I do to overcome my “kanji allergy?”

Join us in these fun, hands-on workshops and get a jumpstart toward reading and writing Japanese with more confidence!

For students in Levels 1–4, these workshops are a perfect introduction to kanji.

For students in Levels 5–9, these workshops will be an excellent opportunity to revisit the fundamentals of kanji to reinforce your existing and future kanji knowledge.

Although it is not required to show your face or video online, we **highly recommend having your video on** if possible. Seeing each other’s facial expressions is a part of conversation and language learning. **We also ask that every participant be able to participate via their microphone.** If you do not have one of these capabilities or would like to discuss accommodations, please contact us at language@japansociety.org.
