## 2024 Summer Shodo (In-Person)

### (Japanese Calligraphy)

Japanese calligraphy, also known as *shodo*, is a revered, centuries-old art form and Zen practice which evokes harmony, beauty, and balance. Shodo uses a brush and charcoal ink on paper, wood plaques, and fabric and includes Chinese characters (*kanji*) and Japanese *hiragana*. Although it originated in the techniques used for letter writing, with its unique form of expression it has developed into an art genre.

This Summer, we are simultaneously offering both online and in-person Shodo course options.

These courses are designed for adults aged 18 and above. However, consideration for enrollment may be given to students aged 17 or 16 on a case-by-case basis. Feel free to inquire for further information.

*Please note this is **not** a language course. If you wish to learn Japanese language, please see our other courses.*
