2024 Summer Intensive Weekend Japanese Courses

Saturdays & Sundays, July 13, 14, 20 & 21
11:00 am – 4:30 pm ET

These courses will be conducted online via Zoom. To participate fully, you will need access to a device with internet, microphone, and camera (such as a laptop, smartphone, or tablet). Please note that all times listed are New York time (ET).

These concentrated courses are designed to teach beginners Japanese and emphasize conversation, listening, reading and writing. These courses are great for people who need to **learn basic Japanese at an accelerated pace**. They are also useful for people with weekday schedule conflicts, those who missed the start of the 10-week semester, or for students who need some review before proceeding to the next level. Students can easily progress from these courses into our weekday courses.

These courses are designed for adults aged 18 and above.

Intensive Weekend Japanese Course, Level 1

(for students with no (or little) basic grammar knowledge in Japanese)

The course is designed to introduce elementary Japanese. Basic vocabulary, grammar and sentence structures will be taught in *romaji* (Japanese written phonetically in the Roman alphabet) so students can carry on a simple conversation. *Hiragana* and some introductory *kanji* will be introduced.

This course will introduce students to the following:

- X wa Y *desu*.
- Question sentences
- This/that/which
- Here/there/over there/where
- Verb conjugation (present tense)
