**Women
Leaders
Initiative**

**Japan Society is committed to empowering
women in the U.S.-Japan space through
the *U.S.-Japan Women Leaders Initiative*.**

Through this initiative, our aims are twofold:

1

Cultivate women's empowerment in the workplace by providing participants with meaningful engagement through our curated events.

2

Serve as a catalyst for change in increasing the number of women in leadership positions within the U.S.-Japan space.

This Initiative is a platform for learning and empowerment, and for ongoing discussion and connection.

Addressing a key aspect in the U.S.-Japan relationship, it aligns with Japan Society's longstanding mission to convene important conversations on topics that bind our two countries together, and to forge deep connections between the U.S. and Japan for positive change.

Our Focus

● 2 Panel Discussions

Featuring dynamic events with leading speakers to discuss topics related to women's empowerment and diversity.

● 2 Networking Receptions

Exclusive networking receptions for corporate members, creating a vibrant community of like-minded professionals. These receptions offer invaluable opportunities to connect with peers, foster new relationships, and engage directly with speakers.

● Group Mentoring Program (6 sessions)

Focusing on the acceleration of the professional development of executive women in the U.S.-Japan space. Participants learn together from mentors who will foster collaboration and community among the mentees while imparting skills and knowledge that will facilitate opportunities for their professional development. The program includes a kick-off event, six mentoring sessions, and a graduation ceremony.

Kick-Off Event

The first event of the Group Mentoring Program, where mentors and mentees meet face-to-face, make introductions, and begin the mentor-mentee matching process.

Graduation Ceremony

Marking the conclusion of the Group Mentoring Program, celebrating the achievements of the mentees. This special event is attended by mentors and representatives from participating corporate members, honoring the success and growth of each mentee as they complete the program.
