

## 2025 LATE SPRING 5-WEEK CONVERSATIONAL JAPANESE

These Conversational Japanese courses are structured to supplement our core curriculum Japanese Courses (Levels 1-13) of the 10-week session. Courses are conversation-intensive, with the aim of strengthening the student's ability to communicate effectively. The course materials emphasize vocabulary and grammar that are useful in everyday activities. Using the Marugoto textbooks, the priority is to practice language used in real-life situations, and grammar is taught through meaningful context rather than targeted study. At the more advanced levels, these courses utilize authentic materials to engage students in more fluid discussion and dialogue.

Students with no previous background in Japanese should complete core curriculum Level 1 before enrolling in a Conversational course.

**Students with some background** should refer to the [Level Guide \(Conversational Levels\)](#) or course textbooks to determine the most appropriate class.

More course options at all levels will be offered in the [upcoming 10-week session](#).

These courses are designed for adults aged 18 and above.

For **tuition**, **how to register**, and more **course details**, please see further down after the course list.

## ***PARTICIPATION & ATTENDANCE***

Our classes are structured to be interactive and participatory, and you will get the most out of your classes if you can participate fully whenever possible (for online classes, by both microphone and video). We hope you will participate to whatever degree that you can, even when full engagement is not possible. Please communicate with your instructor about any needs/changes to your attendance and degree of participation (mic/video use ability for online classes, missing class, etc.).

**Please follow your course schedule** as much as possible. **If you miss a class, please study any material you missed on your own** so that you do not fall behind in the course. Regular practice is important when learning a new language.

In addition, if you will miss a class, it **may also be possible to arrange a make-up class** in a different online or in-person section in the same session (e.g., within the same 10-week session, 5-week session, weekend intensive, etc.). Ideally, this should be scheduled for the same material/class as your missed class, but please note that options may be limited. When possible, please reach out to schedule these in advance as slots are first come, first served. Due to limited availability of make-up slots, and wanting to accommodate as many student's requests as possible, please try to limit make-up class requests to at most 3 per session per 9- or 10-class course. If you anticipate wanting to schedule more than 3 make-up classes, please reach out to us. More information on how to schedule a make-up class will be provided in the Welcome Email.

## ***CANCELLATION POLICY***

**UPDATE! Cancellation Policy: Cancellations are accepted until 12 pm ET, TWO business days before the course begins**. The Language Center's business days are Monday – Friday, except for most federal

holidays. After this deadline, cancellations are not accepted and tuition is not refundable or transferable for any reason (including for credit). Upon cancellation, the tuition paid minus the nonrefundable administrative fee will be refunded. Fees are as follows: \$35 for 9-/10-class courses, \$20 for 5-class courses, and \$60 for 20-class courses.

Cancellation requests can be made either by phone or email, but they must be received by the office by the cancellation deadline. Otherwise, cancellation requests will not be fulfilled.

Japan Society also reserves the right to cancel any course if sufficient enrollment is not obtained. In such cases, students already enrolled will receive full refunds (no administrative fee).

By registering for a course, you accept and agree to the above terms of the cancellation policy.

## ***COURSE POLICIES***

While we try to provide as much consistency as possible, there may be occasions when adjustments to class schedule, instructor, or location are necessary. **The Language Center reserves the right to make these changes as needed.** (Reasons for changes may include inclement weather, emergency situations, or instructor illness.) In the case of a change, we will do our best to create an alternate means for keeping classes running, which may include switching an in-person class to online over Zoom.

**We do not record these classes, and recording of these classes is prohibited.** If a student misses a class, it may be possible to arrange a make-up class in the same 10-week or 5-week session, if available. More information will be provided in the Welcome Email.

If you need to switch to a different level or section after your course has begun, it may be possible pending availability and is only possible within the same session (e.g., within the same 10-week session, 5-week session, weekend intensive, etc.). Please contact the office.

## ***REQUIRED TEXTBOOKS***

Please do your best to have your textbook by the first day of the course.

The following textbooks are required. A limited supply of textbooks is available for purchase at the Language Center on select days, as well as on the first day of in-person courses. Please contact the office in advance to arrange purchase and pick-up times if picking up before the first day of an in-person course.
