2025 Summer Shodo (In-Person)

(Japanese Calligraphy)

Japanese calligraphy, also known as *shodo*, is a revered, centuries-old art form and Zen practice which evokes harmony, beauty, and balance. Shodo uses a brush and charcoal ink on paper, wood plaques, and fabric and includes Chinese characters (*kanji*) and Japanese *hiragana*. Although it originated in the techniques used for letter writing, with its unique form of expression it has developed into an art genre.

The Language Center offers both online and in-person Shodo course options. These courses are designed for adults aged 18 and above.

*Please note this is **not** a language course. If you wish to learn Japanese language, please see our other courses.*
